XII. MISAPPROPRIATION / MISUSE OF FUNDS and MISCONDUCT

The 11th Concept of NA service establishes the sole priority for the use of NA funds; to carry the message to the addict who still suffers. The 12th Concept of NA service gives the NCASC a mandate from the NA groups that call for total fiscal accountability. With this in mind, any misappropriation or misuse of funds by any trusted servant(s) or NA member(s) cannot be tolerated.

A. The definition of "Misappropriation of funds" includes but is not limited to; theft, embezzlement, or use of NA funds for purposes not expressly authorized by the NCASC, subcommittee or ad hoc. This includes the theft of cash, check, any financial instrument (i.e. refunds, royalties or rebates from vendors to the NA fellowship), or assets (i.e. equipment, supplies or physical inventory).

B. MISCONDUCT

1. Misconduct is defined as any action contrary to the 12 Traditions of NA, the 12 Concepts of NA Service, the guidelines of the NCASC, the guidelines of an NCASC subcommittee or ad hoc (if applicable) or violation of California State or US Federal law to the extent that such misconduct is detrimental to the NA fellowship. This includes conduct that creates a benefit to a member or outside enterprise to the detriment of the NA fellowship.

C. INTERIM ACTION – SUSPENSION

Should any NCASC executive committee member, subcommittee member, or any non-elected NA member be suspected to have misappropriated or misused NCASC funds or have been involved in misconduct, the NCASC executive committee's duly elected officers will vote in person or by phone to immediately "suspend" the member(s) involved from further Area service. Suspension in this instance is not disciplinary action; it is the pause in active service to allow time for the investigation of an incident.

1. A suspended officer or member may no longer represent him/herself to the fellowship or Service Boards/Committees as an officer or member of the NCASC, its subcommittees and its Ad-hocs. Additionally, a member, upon notification of being suspended by phone or letter from the Chair, may not be reimbursed for any service related expenses incurred during the course of their suspension.
2. Upon suspension of any member(s), the NCASC executive committee's duly elected officers must make a full and timely investigation of the matter and report the findings at the next NCASC meeting.
3. Any member who participates in or who had knowledge of the suspected misappropriation or misuse of NCASC funds or misconduct shall be subject to the same actions taken against the suspected member(s) and are required to be present at the NCASC meeting.
4. The presiding officer of the NCASC immediately upon calling the following NCASC meeting to order must report all interim actions/decisions made by the executive committee's duly elected officers. Fully disclosing the alleged misappropriation or misuse of NCASC funds or misconduct and the individual(s) involved. Any member suspected of misappropriation or misuse of NCASC funds or misconduct may exercise the 10th Concept of NA Service; to redress the issue at this time.

D. NCASC ACTION – REMOVAL and REINSTATEMENT

Once the NCASC executive committee's duly elected officers investigate and report to the NCASC its findings of the suspected violation of this section, the NCASC must immediately vote on a motion to remove the individual(s) from office and/or the committee "with cause", to reinstate or to extend the investigation. The Chair will notify said member(s) by phone or certified mail.

1. Should the NCASC remove an officer(s) or member(s) with cause, the said individual's participation within the NCASC is immediately terminated.
 - a. Suspended or removed officer(s) or member(s) may no longer represent themselves to the fellowship or Service Boards/Committees as an officer or member of the NCASC, its subcommittees or its Ad-hoc's for a period of five (5) years from the date of interim suspension.

Any member removed from office and/or committee by the NCASC for misconduct may no longer represent him/herself to the fellowship or Service Boards/Committees as an officer or member of the NCASC, its subcommittees and its Ad hoc's for a period of 2 to 5 years, at the discretion of the NCASC on a case-by-case basis. This time will be voted on and determined at the time of removal from office and/or committee.
2. Upon reinstatement, said member's suspension will be lifted and the member will resume their role as a full participant of the NCASC, its committees or Ad-hoc's (as applicable).
